

FOR IMMEDIATE RELEASE

Taste of Oakville returns with a chance to win tickets to see Walk Off The Earth

Oakville, ON, Wednesday, February 2, 2022 – Reconnect with friends and family over incredible cuisine this winter during Taste of Oakville 2022!

This year’s annual culinary celebration will see over 30 Oakville restaurants serve up unique prix-fixe lunch and/or dinner menus for 24 delicious days between Feb. 15 and March 10, 2022.

Thanks to the funding Taste of Oakville received as part of the [Province of Ontario’s Reconnect Festival and Event Program](#), Taste customers will have the chance to win tickets to see Canadian Indie pop stars Walk Off The Earth perform at the Oakville Centre for the Performing Arts on March 31, 2022.

“We are grateful to be the recipients of a Reconnect grant again this year and thank MPP Stephen Crawford and the province for their support,” said Rebecca Edgar, Visit Oakville’s executive director. “We are thrilled to return with Taste of Oakville 2022 at a time when support for our local restaurants is so critical. We hope that the chance to win tickets to a private Walk Off The Earth concert will provide some added excitement, perhaps catch the eye of a new generation of Taste-goers, and provide a fun and lively way to celebrate at the end of March.”

Your Taste of Oakville receipts will count as entries towards this private concert and can be submitted on the Taste of Oakville website. Multiple entries are allowed, so you can enjoy as many Taste menus as you like while submitting valid ballots.

Tune into Visit Oakville’s [Instagram](#) page every Tuesday from February 8 to March 1, as they will be giving away \$50 gift cards to select participating restaurants.

Visit tasteofoakville.com for more information about the concert giveaway and participating restaurants, including details on takeout, delivery and in-person dining options.
