Waste Collection for shopping districts

January 2023 – December 2023

Halton Business Improvement Areas (BIAs)

- Bronte
- Acton
- Kerr Street
- Georgetown
- Downtown Oakville
- Burlington Downtown
- Milton
- Aldershot

Printed on 100% post consumer fibre.

Blue Cart (recycling)

- See the back page for Blue Cart accepted recyclable items.
- Rinse all containers and plastic bags. Ensure they are clean, dry and empty.
- Materials in other containers will not be collected.
- Shredded paper is not accepted in the Blue Cart. Place in your garbage.

Corrugated cardboard

- Flatten all cardboard.
- Tie flattened cardboard in bundles or place flattened cardboard inside a cardboard box, no larger than 120 cm x 120 cm x 90 cm (4 ft x 4 ft x 3 ft).

Black Cart (garbage)

- Only regular household and office-related garbage will be collected.
- **Bulk items will not be collected. These are large items that weigh more than 23kg/50 lbs and will not fit into a closed Black Cart.**

Large garbage items should be brought to the Halton Waste Management Site (fees apply)
5400 Regional Road 25, Milton
or private garbage collection should be arranged.

Note: Remove empty carts from the curbside as soon as possible following collection.

Blue Carts and Black Carts are collected **twice a week on Tuesday and Friday.**

Collection is delayed by one day due to the following holidays

Tuesday collection: Holiday schedule changes

Your waste will be collected one day later, on Wednesday, after the following holidays. (Friday collection is not affected):

M	T	W	T	F	S	S
	No change			Holiday →		

2023

- Good Friday
Friday, April 7

General waste collection tips

Place waste out early in the morning.

Place your waste at the curb **by 7 a.m.** the morning of your collection day or no earlier than 5 p.m. the evening before.

Keep the material secure.

Don't overfill your cart and keep the lid closed. Ensure all items are securely inside cart.

Ensure safety during the winter.

During the winter, ensure materials are free of snow and ice, and are visible to the collection crew. Do not place material on top of snow banks.

Avoid injuries.

Wrap broken glass and sharp objects in puncture-resistant packaging before putting them in your garbage (e.g., a small, sealed plastic container).

No sharps.

Do not put needles, syringes or lancets in the Black Cart or Blue Cart.

Protect the environment.

Do not put hazardous waste such as batteries, compact fluorescent light bulbs, paint, chlorine, propane and compressed gas tanks, pesticides or motor oil in your Black Cart or Blue Cart. These items must be brought to an approved hazardous waste disposal facility.

Looking for additional Blue or Black carts?

Please contact your local BIA office.
